**Subject:** RE: Warren Steel Site Assessment

Hi Steve – My understanding is the discharge from the wastewater treatment plant was meeting effluent limits without treatment through the wastewater treatment plant so Ohio EPA suspended the contract for operation of that plant. Virginia Wilson (330-963-1180) would be the person here to talk to for the latest on that. I am retiring this Friday, the 31<sup>st</sup>. I am not certain who will take over handling that site from a RCRA perspective. Natalie Oryshkewych is my manager (330-963-1267) and will be the one making that decision. If I can be of help in the next few days, let me know. Thanks - Sherry

Hi Sherry

Just wanted you to know that I have not forgotten about this site – weather and my schedule wouldn't cooperate for us to get out there.

I have scheduled the site assessment for April 27-28.

I can not recall what you told us regarding the water treatment plant – is it still operational? – I believe you mentioned OEPA was paying for its operation for a while?

Thanks,

---
